

Larks Meeting Agenda Record 03/26/15

Meeting Opened: 6:35pm

Guest: Tom Craig.

Secretary Report: read Minutes for February 2105 with some changes. Minutes accepted.

Treasure Report: As of 02/28/15 the club had in checking and savings \$42300.25 paid monthly bills. Treasure report accepted.

New Applicants: Tom Craig

Previous Applicants voted in: None

Old Business: Larry reported on shed status. Said our shelter did get on the county list and was voted on as a go ahead. We have to wait for final approval. More talk about solar panels from harbor freight. Ron put carpet around post at the field. Also ants at the field and that he put down some ant killer. The discussion moved to the concrete pad for the shelter but no firm thought yet on how to do it. Ernie said he looked at the bylaws and suggested he word smith them and put them on the web for conversion and vote at a meeting.

Ray Crooks set up the web site, to go to the site one type's larksrcclub.com. The list of the members and the minutes from the prior meeting will be placed on the site and the member list will be password protected. There were discussions about the password and username as well as where was the club in the

AMA charter site. There is no user name and the password for the member list is gate combination. This was updated from the February secretary's report.

New Bus: A member brought up the thought that members should recertify every year because of age and possible lack of skills. A member asked if there was a way to get some training on electric planes batteries and the difference between gas planes and electric when you change them over from gas to electric. Ron stated possibly one of our members would be happy to put on a class for that. He will ask him if he will do the class. There were questions about LIPO batteries and how to treat them. A discussion about the batteries ensued and it seemed to help answer the questions. Ron Tibbett's built a new stand for the field.

Activities for the month: none

Announcements: none.

Model of the month: none
