

Larks Meeting Agenda Record 04/30/15

Meeting Opened: 6:35pm

Guest: Walt Tillman & Lou?

Secretary Report: read minutes for March with no changes. Minutes accepted.

Treasure Report: No treasures Report.

New Applicants: Walter Tillman

Previous applicants voted in: Tom Craig

Old Business: Larry reported on shed status. Said our shelter was on the list and was voted on as a go ahead. The size of the shelter was discussed, 24x40 is the projected size of the shelter. The site plan could be at least \$1000.00. There was a question about the web site. Was every one getting to the site? There were no complaints. Ray sent out a message via e-mail about the meeting. Ron built a new stand and David rebuilt the rest of them. The class about batteries and electric motors came up. Ron said that John said he would conduct the class but he forgot, so Ron will remind him again. Larry gave everyone Ray Crooks e-mail address which was Crooksrmc@gmail. Ernie is still looking at the bylaws.

Ray Crooks set up the web site, to go to the site one type's <http://larksrcclub.com>. The list of the members and the minutes from the prior meeting will be placed on the site and

password protected. There were discussions about the password and username as well as where was the club in the AMA charter site. There is no user name for the member list and the pass word is the gate combination.

New Bus: David Pierce asked for help flying. Jim Marazon said he would help him at the field. Jim told everyone about his plane that came apart while doing a knife edge; however he did not break the prop. No more new business, so the group told stories about flying and the EAA at Leesburg airport.
