

Larks Meeting Agenda Record 12/17/2015

Meeting opened: 6:45 by President Larry Boone

Members in attendance: 12

Guest: None

Secretary Report: Minutes read from Nov. meeting with no changes. Motion to accept, Motion carried.

Treasurer Report: Total balance of \$40,635.31. Motion to accept, motion carried.

New Applicant: Marty Kalarovich – voted in

Old Business: David reported on shelter status. David met with county officials, again. Plans examiner required site specific information. Documents provided.

Swap out current Porta-let for handicap Porta-let

New Business: David reported on FPV Quad races recently held at Torches Field. Safety reminder to fly from flight stations and not stand next to runway as flyer was hit by plane taking off.

Lengthy discussion regarding pending FAA requirement for pilots to register with FAA. Per latest AMA communication they (AMA) are suggesting that AMA members hold off registering until further communication from AMA or until cutoff date of Feb 19 as AMA is pursuing legal actions.

Member requested an area on SE corner of field be designated for Multirotor flying. It was decided to designate the current control line circle as multiuse where, while not required, those flying multirotor aircraft and are uncomfortable flying on current East/West runway use the circle.

Discussion regarding covering the circle area with Geotextile material.
